

## How to Handle Specific Situations

### Vandalism:

- Vandalism of any kind is illegal
- If new vandalism is present, report it to Norwell (online form)
- If you have a camera, please take photos for documentation
- Additionally, log the vandalized site and other relevant details on the monitoring report
- Spray paint is easier to remove in the first 24 hours, make sure to report this as soon as you see it

### Dumping:

- Dumping of any kind is illegal
- Stay away from any hazardous waste (unknown liquids, medical waste or needles, etc)
- Report any hazardous waste to Norwell for proper disposal
- Do not open closed containers, sniff any suspicious substances, or touch any container that could hold dangerous materials
- If the material is not hazardous, you may remove it and dispose of properly if you wish
- Report dumpings on monitoring report

### Motorized Vehicle Use:

- Private motorized vehicle use is prohibited on all Town of Norwell conservation lands
- They cause ruts and erosion problems on trails
- Prohibited vehicles include ATVs, dirt bikes, and trucks
- Note any signs of vehicle use in your monitoring report
- If you witness ATV use, note the date/time/color of ATV/any other details you can remember in your report
